

January 23, 2023

Dear KMA S.C. Client,

Over the years, it has been my good fortune to serve as your accountant at Schuman Simon and Grodecki, LTD (SSG). As you may already know, SSG merged with KMA, S.C. on January 1, 2023. After 54 gratifying years in public accounting, I will be retiring from KMA, S.C. later this year.

I understand the importance of having a trusted advisor and want to assure you that KMA, S.C. has a team of experienced, talented professionals who are dedicated to making your transition as seamless as possible.

Leading this team will be your new advisor and tax professional, Brian Donenberg. Brian is very knowledgeable and will handle your tax, accounting, and related financial service requirements. I will be working alongside Brian over the next few months to ensure a smooth transition for you in anticipation of the upcoming tax season.

Please feel free to contact Brian to get better acquainted or to have him answer any questions you may have.

Sincerely,

Harvey Redfern
